IN-CAR DIGITAL VIDEO

The NEW Arbitrator 360°™ HD in-car digital video recording system sets the standard for mobile evidence capture. Its full HD 1080p front camera delivers superior video clarity, capturing a 65° field of view with enhanced low-light zooming. Up to four additional cameras covering the sides and rear record in 720p HD with 150° horizontal and 93° vertical fields of view to maximize situational awareness. The Arbitrator 360° HD delivers the trusted mobile digital video evidence that first responders need for confidence in the courtroom, improved officer safety and trusted community relationships.
